

Unpaid Carers Connect over Coffee

Are you an unpaid carer, looking after someone who lives in the Vale of Glamorgan?

MEET

other unpaid carers

MINGLE

over afternoon tea, and

HEAR

about ways you can develop your skills and knowledge either for your own interest or to support the person you care for.

We are holding an event for unpaid carers on
March 30th 2023
at **Barry Memorial Hall**
between 1pm and 6pm

A number of organisations who can provide aids, adaptations, knowledge and skills development will be available to share information on their services.

Take advantage of our specialist's knowledge of equipment to help you stay safe and independent, find out what development opportunities are coming up and available to you.

There will also be organisations there who provide information and advice on a range of services and support for unpaid carers relating to benefits and finance.

Professionals who support unpaid carers are also welcome to browse the stalls and join us for a cup of tea.

Entry is Free, but if you are an unpaid carer and would like to book an afternoon tea, please contact us before Monday 20th March 2023 to make a reservation:
